There is Hope!

PAL meets *every* week at 19 locations across Arizona. PAL provides continuing education and support, at no charge, for parents trying to save a son or daughter from addiction to alcohol or drugs.

For Spouses Too

PAL can also help spouses who are forced to *act like the parent* to their addicted partner who is abusing alcohol or drugs. (All other family members and friends are also welcome to attend our meetings).

You are Not Alone

By attending our meetings, you will learn proven ways to help your loved one have a permanent recovery from addiction. You will also be able to give support to, and receive support from, others who are facing the same challenges you are. Everyone is welcome. No need to register, just show up at a meeting.

Group is facilitated by trained volunteer Parents.
