We are providing on-going education and support for parents/spouses who have a child or loved one who is suffering from problems with drugs, alcohol or gambling.

The purpose of the PALS Support Group is to gain time-proven knowledge in order to make the best possible choices in helping your loved one find a permanent recovery from substance abuse or problem gambling. You will give support to, and receive support from, others facing the same challenges.

Eight Educational Topics-one each week:

- 1) Arrested Emotional Growth
- 2) The 4 Stages of Growth in Recovery
- 3) Healthy Helping
- 4) Three Promises to a Loved-One
- 5) Addict/Alcoholic Roles & Family Roles
- 6) Thirteen Family Lessons About Addiction
- 7) Enabling Check List
